September News- 1

Welcome back! We hope you had a great summer and we are glad to see your children return to us full of enthusiasm for the challenges ahead. They are all looking very smart in their uniforms and black shoes. Please remember that for safety hair longer than shoulder length should be tied back using hair bobbles or small clips. Although the large hair bows look lovely when the pupils are out at the weekend, they can get caught on play equipment – or other children – and be dangerous when playing in school.

Please make sure that your child has a PE kit in school– black pumps, black shorts and a white T-shirt. KS2 children should also have an outdoor PE kit – trainers, jogging trousers/leggings and a sweatshirt/fleecy jumper.

Back to Church Sunday

On Sunday 8th September the children, parents and staff of St Leonard's School are all invited to Church for a **Back to School Service** at 9.30am. This will be an opportunity to welcome everyone back at the beginning of term and dedicate the year ahead. It would be lovely to see lots of our school community there.

Willow class

This week we are welcoming back Miss Hartley after her operation before the summer. To support her full recovery, she will be working part-time during September. During this time, she will be teaching in Willow class on Monday, Wednesday and Friday and Mrs Austin will teach on a Tuesday and Thursday. Mrs Austin was teaching in Willow class before the summer, has already met with the children and knows the school routines. Both staff have already met together to ensure a consistent approach and that all the curriculum is covered.

We know you will welcome both staff back and continue to pray for Miss Hartley's ongoing recovery.

Breakfast Club

If you would like your child to use breakfast club, please make sure that you have returned the Parental agreement to school, then you will be able to pay and book places online using the Scopay system (the children will need booking in via the website rather the app – instructions as to how to do this are found attached).

Contact details

If any of your contact details have changed, please contact school for a new record card to enable us to update them on our systems. Thank you.
